

11th Annual Keizer Community Center Cleanup

**Saturday, March 13, 2021
9:00 AM—12:00 PM**

ALL COVID PROTOCOLS WILL BE OBSERVED!

We need at least 100 volunteers. Many hands will make short work of picking up trimmings from shrubs, trees, and grasses, removing weeds, and dumping the collected trimmings and leaves into a drop box. If you have any of the following, please bring them if you can: wheelbarrows, plastic trash cans, rakes, tarps (to drag loads to the dumpster), pruners, weed pullers, etc.

Dress for the weather in long pants, sturdy shoes/boots, gloves, hats, coat, etc. Unless there is an inch of snow on the ground or more, we do not cancel. All activities will be outside. Portable restrooms will be on site. Light refreshments provided. No entry into the Keizer Community Center will be possible.

Sponsored by the City of Keizer

Hosted by Keizer Rotary

**Coordinated by the
Claggett Creek Watershed
Council**

[Keizer Community Center, 930 Chemawa Rd. NE, Keizer, OR 97307](#)

Collection box and disposal donated by Loren's Sanitation.

If you have questions, please contact: Mark Caillier at markcaillier@claggettcwc.org or at 503-930-7481.
