### PROJECT NARRATIVE DESCRIPTION

**Partnerships:**

City of Keizer Public Works and, City of Keizer Parks

**Goals:**

Pick up trash and remove debris dams from Claggett Creek waterway.

**Comments:**

Two debris dams removed. One bag trash collected. One bicycle recovered from bank and turned over to Keizer Police Department. One crawdad from debris dam at Inland Shores released unharmed into creek. Two volunteers with life jackets in the water, three volunteers receiving debris at the top of the bank from volunteers in the water and one safety officer observing.

**Lessons Learned:**

Inland Shores along Claggett Creek will be a project requiring a great deal of planning, time and resources.
